

Sacred Lotus
Newsletter for Blue Lotus Music
November 2009

Dear Friends, dear friends. This is one of the last newsletters for **Blue Lotus Music** coming from Vancouver. After searching for spiritual communities in which to relocate, an offer has come my way to spend a year in the Santa Cruz mountains south of the San Francisco bay area. The center is called *Ben Lomond Quaker Center* www.quakercenter.org. Shoshanna will remain here and continue her work with the plan for all of us to be together again in California sometime after June 2010. So...

In the new year, I will be relocating to sunny California!!!!

In the meantime, I will be offering a few more events, workshops and **Unity Kirtan**. Thanks to all who have supported me in the past 7 years I have been in Vancouver. I will periodically return to Vancouver bringing the sunshine energy with me. I will send out information every once in awhile to let you know what's up and invite you down. Let us stay in touch.

Blessings on all our work together. David and **Blue Lotus Music**
